

**TENDERERS' REQUESTS FOR CLARIFICATIONS TO THE SERVICE CONTRACT  
NOTICE AND RESPONSES OF THE CONTRACTING AUTHORITY No.1**

Contract Title: **“Technical Assistance for Strengthening the Capacity of MoTMC EUID & End-Recipients - II”**

Publication Ref.: **EuropeAid/137421/IH/SER/TR**

**Question 1:**

We would like to kindly request a clarification on the definition of the ‘in-house consultancy’ for an accurate understanding of the required services from the tenderer.

**Question 2:**

Could you please provide an explanatory statement for the services referring to “in-house consultancy”. For instance, could you please confirm whether the services provided to the public bodies/institutions or SMEs with the aim of developing/improving their institutional capacities will be evaluated as eligible for the subject criterion or otherwise kindly clarify what is meant by “in-house”.

**Question 3:**

With regard to 21.Selection Criteria 3.Technical Capacity of the Candidate, we kindly ask you to clarify the wording “in-house consultancy“ in the Para. 3.1) The Candidate has provided institution and/or capacity building services comprising in-house consultancy under at least 1 (one) service contract with a budget of at least 1,300,000 (one million three hundred thousand) Euros.

In other words, specifically, what is meant by/referred to “in-house” in the wording “in-house consultancy”

**Answer 1 to 3:**

The Contract Notice Clause 21.3.1 (Technical capacity of candidate) is self-explanatory. It is meant in the statement of “in-house consultancy” that the candidate has provided institution and/or capacity building services within the premises of its client.
